Welcome back to Ohsweken Speedway!
It's great to have you all back for another great year of racing at the Big O! We have a lot exciting events planned, 2017 is going to be a great year!

Transponders must be on and working or you will not be scored. Please make sure you come out for hotlaps to ensure you register in the computer.

-Line Ups will be posted at Tech Barn, Middle Sound Booth and on our new Twitter Account @BigOLineups.
-If you are going to be late for sign in please text Doug at 905-981-1119.

Keep it Positive: Race hard with respect. Things don't always go as planned on the track! Respect Each Other, the Danger, and the Sport. We have a lot of new Sponsors and Families here each week. Let's show them why Ohsweken is the Best Place to Race!

Help Us Promote Ohsweken Speedway! Document your journey and use #BigOProud on social media! Each week we will award 4 pit passes to a team that did a great job showing off their Ohsweken Pride that week! Let see those pics and vids!

Questions, comments and concerns?
